2200 HOMES IN OHIO TOWN GO UNDER WATER: INVALIDS DIE AS MOVED

LIMA, Ohio, July 16.—Two are known dead this afternoon. One unidentified man was drowned in attempting a rescue. One woman was killed in a stove explosion due to rising water.

LIMA, Ohio, July 16.—Twenty-two hundred homes in this city are partially or wholly submerged as the result of the Ottawa river leaving its banks following a period of torrential rains.

Several invalids have died of exposure and shock incident upon their removal from endangered homes and others are in a precarious condition.

One unidentified man was drowned while attempting to reach and aid a marooned party.

The river this morning passed the highest mark reached during the great floods of 1913, and the prospects are for a continued rise.

It is almost impossible to give any accurate estimate of the damage to property. In many of the farming sections around this city the river has gone over its banks and submerged hundreds of acres of growing crops.

The city police and firemen and an army of volunteers are at work aiding endangered families to reach places of safety.

WABASH VALLEY FLOODS DAMAGING CROPS

HUNTINGTON, Ind., July 16.—It is reported that Wabash valley floods are seriously damaging crops.

ANOTHER OHIO RIVER AT HIGH FLOOD POINT

KENTON, Ohio, July 16.—The Scioto river today reached the greatest height since the disastrous floods of 1913. Over a hundred marooned persons were rescued today.

HEAVY WINDS AND RAINS DO NEBRASKA DAMAGE

LINCOLN, Neb., July 16.—Heavy winds and rain flooded the towns of David City, Bellwood and Wahoo. Many large structures were blown over and crops damaged. A heavy duststorm preceded the rain and a terrifying electrical display accompanied the storm.

TO SEE HARBOR ABOUT AUG. 22

It appears that the Congressional Committee on Rivers and Harbors will have to schedule its visit to Newport Harbor either between August 13 and 17 or on or after August 22. A schedule of the congressional party's itinerary, received from Will R. Sharkey, secretary of the legislative committee appointed at the last legislature to arrange for the party's visit to Southern California, states that the congressmen are due to arrive in Los Angeles on the evening of August 13 and are due to leave Los Angeles at 10 o'clock in the morning of August 17, arriving in San Diego in the afternoon of the same day. They are scheduled to leave San Diego on August 22.

Sharkey, who lives at Martinez, California, has written to Senator Benedict of Los Angeles and to Assemblyman Grant Conrad of San Diego in regard to the party's visit to Newport Harbor.

Inasmuch as, according to the itinerary received here, the congressmen will not arrive in Los Angeles from the north until August 13 and as their time is fully taken up after that until August 22, it does not appear likely that they will be able to pay their visit to this county until about August 22. This will be the case unless it can be arranged for the congressmen to make a trip to the harbor during their visit in Los Angeles.

TO DEDICATE STATUE

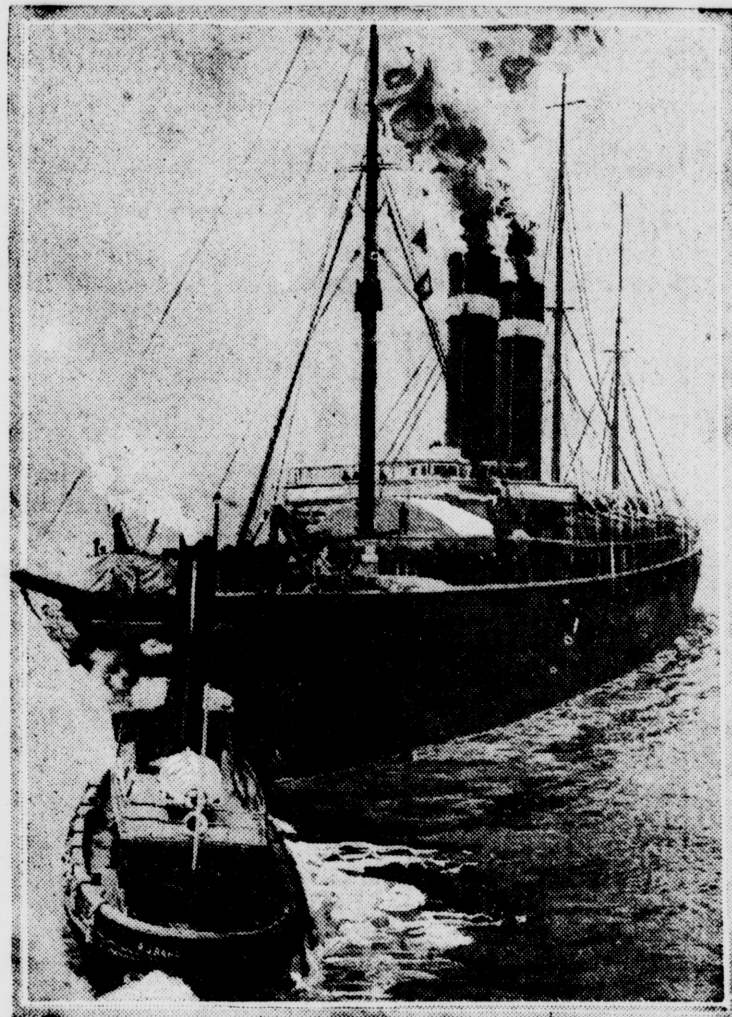

BALTIMORE, Md., July 16.—The statue of Robert Lee mounted on his famous charger, "Traveler," will be dedicated here some time during the latter part of October, the State Battlefield Commission announced today.

REFUSES JOB PAYING \$250,000 A YEAR AS AGENT FOR RUSSIA

CHICAGO, July 16.—Officials of the Chicago Great Western Railway today confirmed the report that President Samuel Felton has refused a Russian offer of a salary of \$250,000 a year to superintend the buying and placing of contracts for \$5,000,000 worth of locomotives, cars and shrapnel.

The Russians also proposed to build here a \$2,000,000 war munitions plant.

THIS IS THE American liner Philadelphia, which reached port in safety the other day. It was on this vessel that Frank Holt, assailant of J. P. Morgan, was believed to have planted a dynamite bomb.

THIS WAS BILL'S UNLUCKY DAY! LISTEN WHAT HAPPENED

LOS ANGELES, July 16.—Chinamen roughly handled William Anderson of Ventura, a rancher, who became lost and wandered into a stable.

A dog bit Anderson and he fled into the barn, where four horses kicked him. Then he ran out and twelve Chinamen, thinking he was a burglar, attacked and beat him.

Anderson tried to climb a seven-foot fence and fell headlong to the sidewalk.

Here a policeman arrested him on suspicion of intoxication.

PENITENTIARY DOORS SWING OPEN FOR 90

SACRAMENTO, July 16.—Ninety convicts will be released from Folsome and San Quentin prisons August 1.

The men were sent up for terms ranging from one to twenty years and will have served their time at the end of the present month.

BREAKS BOTH ANKLES TRYING TO SAVE MAN

HOMESTEAD, Pa., July 16.—William Jones, "first aid" expert, shinned a telephone pole and reached out to "rescue" a man supposed to have been shocked by electricity while making wire repairs. Then—

Jones fell down and broke both ankles and today was in a hospital hoping the bones would soon knit.

A rope with which Jones was holding while atop the pole slipped, precipitating him to earth.

WHITE COLLAR, CUFFS LOSE OAKLAND JANITOR JOB IN SCHOOLHOUSE

OAKLAND, Cal., July 16.—Because M. A. Purdy, janitor of the Jefferson school, wears a white collar and cuffs while at work he was discharged from his position by the board of education.

School Director Harry J. Boyle was responsible for his dismissal. "If he wore a soft shirt and overalls I would be in favor of retaining him, but imagine a janitor with white cuffs. It can't be done."

WORKERS IN ARMS TO BE GRANTED DEMAND FOR EIGHT-HOUR DAY

BRIDGEPORT, Conn., July 16.—The possibilities of a general machinists strike following the threatened Remington arms works walkout was considerably lessened today.

Three arms companies besides the Remington have conceded the workers demands and granted them an eight-hour day.

The workers side-stepped all arbitration offers. They had the whip hand on account of the immense volume of war orders.

ANNAPOLIS CADETS PASSING BIG CANAL ON WAY TO 2 FAIRS

COLON, Panama, July 16.—Carrying the Annapolis cadets the battleships Missouri, Wisconsin and Ohio today entered the Panama Canal and are expected to pass the Pacific exit by 7 o'clock tonight. Each vessel fired a twenty-one-gun salute on entering.

FOUR COWS EAT MEAL OF DYNAMITE, THEN DIE VIOLENT DEATH

NEVADA CITY, July 16.—Chas. L. Salmon, mine owner, must pay M. J. Coughlin, farmer, \$140 for the death of four cows which ate mine dynamite and died violently.

SHRINERS FIGHT ON LOFTY PEAK SNOWBALLS AS AMMUNITION

SEATTLE, July 16.—Led by the delegates to the Imperial Council meeting which yesterday closed its forty-first annual session in this city, several thousand Shriners today snowballed each other on the slopes of Mount Rainier, crawled over glaciers, explored ice caves, discovered new wild flowers and even scaled the summit of the great peak.

Loaded with red fez wearers, special trains left Seattle shortly after sunrise and arrived at the Rainier National Park during the morning. After luncheon at the Inn they went out on the side of the mountain under the care of trained guides, visiting Paradise Valley and several of the noted glaciers.

Tonight the easterners will sleep on the mountains and tomorrow afternoon will return to Seattle. While a portion of the delegates and Shrine members were making the junket to Mount Rainier, several thousand more boarded an ocean-going steamer and cruised for the entire day on Puget Sound, going west to the foot of the Olympic mountains and the strait of Juan de Fuca, and north as far as the Canadian boundary.

Several bands accompanied the travelers and played at Everett, Anacortes, Bellingham, and other cities visited.

THAW, SANE, SET FREE ON BONDS WHILE STATE PREPARES APPEAL

NEW YORK, July 16.—Supreme Court Justice Hendricks today pronounced Harry K. Thaw sane and announced that he would immediately vacate Judge Dowling's order sending Thaw back to Matteawan.

Thaw was released on \$35,000 bail pending the State's appeal.

Thaw remained composed until the court room was emptied, then he wildly shook hands with attaches and reporters, his necktie awry and his hair mussed.

The crowds outside cheered him as he was leaving the court room.

A reporter asked him:

"Will you mount the water wagon?" Thaw snapped out: "None of your business!"

The police then cleared a path and Thaw proudly stepped out to freedom.

Thaw crossed the border from New York state at 1:10 this afternoon. Four automobiles carrying reporters followed.

The downtown crowds failed to recognize Thaw, who shook hands with Sheriff Griffen Hagen.

"Glad to see you go," said the sheriff.

Thaw replied: "Good luck. You certainly treated me right."

STATE TO APPEAL DECISION IN THAW SANITY CASE

ALBANY, N. Y., July 16.—Attorney General Woodbury today instructed the state counsel to file an immediate appeal in the Thaw case.

BIG HOME-COMING, MOTHER'S PLAN TO GREET THAW

PITTSBURG, July 16.—Mrs. Mary Copley Thaw seemed not surprised when informed her son had been released. She is preparing the Birchwood avenue mansion for a big homecoming.

The mother is evidently disappointed because the state is appealing.

ELKS AUTO TRIP SCHEDULE IS ARRANGED

The following route has been decided on by Santa Ana lodge of Elks, No. 794, for the entertainment of their visitors tomorrow:

Leaving the County Club, the run will be made via Main street to Fourth street, to Church, to Broadway, to Santa Clara, to Main, following the state highway to Anaheim, to Fullerton, to Placentia, to Olive, to Orange, to El Modena, to Tustin via Hewes (optional via Lemon Heights) or Newport avenue, Tustin, to Balboa by Prospect road to Balboa.

The guests will take the Pacific Electric cars to Los Angeles, at Balboa.

All those who have volunteered the use of their automobiles for tomorrow's trip through the county, are being instructed to be at the Country Club by 1 o'clock.

The Elks' committee having the arrangements in charge is planning on having 100 automobiles in readiness. Nothing definite in regard to the number of visitors to Orange county tomorrow has yet been learned, though a large crowd is expected.

CALIFORNIA TOWNS CHEER LIBERTY BELL

REDDING, July 16.—Passing through California towns today where no stops were scheduled, the Liberty Bell train slowed to four miles per hour. Thousands lined the right of way, cheering. The San Francisco welcoming committee boarded the train at Dunsin.

NEW JERSEY MAN GETS EXPOSITION POSITION

WASHINGTON, July 16.—Former Congressman William E. Tuttle, Jr., of New Jersey, was today appointed American commissioner to the Panama-Pacific Exposition.

THE CITRUS MARKET
NEW YORK, July 16.—Seven cars oranges, four cars lemons sold. Oranges strong, 10c higher for 216s; unchanged for the 250s and smaller sizes. Lemons 10c higher for the 300s and unchanged for the 260s. Averages—Oranges, \$2.20 to \$4.68. Highest—Glendora Alps, \$4.95. Weather, cloudy; temperature, 72 degrees. *****

HERE IS THE EVIDENCE of the fact that women have had to go into the munitions factories of Great Britain to make shells for the army. The call of Minister of Munitions Lloyd George has not been answered sufficiently to keep these women out of this trying and laborious work. The photograph was taken just outside a factory where there are hundreds of women at work.

NO RECOGNITION IN MEXICO UNTIL REAL CONTROL IS SHOWN

WINDSOR, Vt., July 16.—It is certain that President Wilson will not recognize any Mexican government until the German controversy is settled.

He does not intend to recognize Carranza until Carranza proves himself in complete control of the situation. The capture of Mexico City is insufficient cause for recognition.

\$50,000 BOGUS COIN IS TAKEN IN RAID

CHICAGO, July 16.—The police today raided a den of alleged counterfeiters and arrested several. They seized \$50,000 in bogus money.

GANNON VS. VERNON

APPLETON, Wis., July 16.—The Appleton Athletic Club will stage a double windup of ten-round bouts here tonight with Gene Gannon of Milwaukee and Tex. Vernon of Marinette, featherweights, as principals.

SANTA BARBARA LAUNCHES GREAT CAMPAIGN TO CLEAN CITY

SANTA BARBARA, Cal., July 16.—Leading citizens of Santa Barbara, with their shirt sleeves rolled up, headed by President F. S. Tucker of the Commercial Club, have begun a one-year clean-up campaign of this city.

During the past three months thousands of easterners visiting the exposition have come to Santa Barbara, and Santa Barbarians have just realized that unsightly signs and poles might be removed, greatly improving the appearance of the city. The Commercial Club members have inaugurated a clean-up campaign which will soon be running full blast.

In some sections streets will be improved, and sidewalks rebuilt. Another plan contemplated is the erection of new store fronts on some streets.

SOMERSAULTING AUTO ON GRADE OF TEHACHAPI NEAR FATAL

BAKERSFIELD, July 16.—Norman Beeler of Portland was seriously injured today when his automobile somersaulted thrice on a steep Tehachapi grade.

His mother, sister and wife, walking down the grade, witnessed the accident.

Beeler's brother in the auto was slightly hurt. Beeler's ear was nearly torn off and his collarbone broken.

RUSSIANS ARE O. K. SAYS MARYE'S WIFE

SAN FRANCISCO, July 16.—Mrs. George T. Marye, wife of the American ambassador to Russia, today denied the report that she had found Petrograd society unattractive. Reports said that Marye desired to resign on that account.

"The Russians are very hospitable," said Mrs. Marye.

URGES GIRLS TO QUIT MEN WHO SMOKE

SAN FRANCISCO, July 16.—Addressing the Non-Smokers Protective League convention today Dr. Chas. G. Pease of New York, advised all girls to break engagements with smokers. He asserted the smoker loved his pipe more than his wife.

CRACK DIVER OF GERMAN FLEET IS WIPED OUT BY RUSSIAN WARSHIPS

ATHENS, July 16.—Reliable advices received here today asserted that Russian warships have sunk the famous German submarine U-51 in the Black Sea.
This was supposedly the most powerful of all German submarines.
Recently it cruised from Wilhelmshaven to the Dardanelles where it sank the British Battleships Triumph and Majestic on May 25.

DANGER INCREASES HOURLY AS WELSH MINERS QUIT WORK

CARDIFF, July 15.—Government investigators today declare that Radicals have misled the striking Welsh miners. If permitted to take a new vote all would return to work, it is believed.

The executive council today met and discussed the government's proposed truce.

Only five hundred men are working. One hundred and twenty-five thousand refused to resume their labors.

Every South Wales colliery is paralyzed and the danger of the situation is increasing hourly.

TEN SAILORS PERISH; FRENCH TRAWLER HITS MINE

CALAIS, July 16.—The French trawler steamer yesterday hit a mine off this coast. Ten sailors perished.

FRENCH WITHSTANDING BIG SERIES OF ATTACKS

PARIS, July 16.—The French are withstanding continuous attacks on the two-mile front at Vosges. They have recaptured "Hill 285" near Verdun and have christened it "The Daughter of Death," on account of the heavy casualties.

ITALIAN ARMY HAS TAKEN FALSARAGO PASS

ROME, July 16.—The Italians have seized Falsarago Pass, Gen. Cardona reports today. Alpiners scaled and captured several Austrian heights while the enemy fled down the slopes in disorderly array.

PETROGRAD ADMITS TEUTON CAPTURE OF TRENCHES

PETROGRAD, July 16.—The War Office today admits that the Germans have captured the Russian trenches in the Pissa and Skwa river regions. The Germans are attempting to cross the Windau and Vinta rivers and there is brisk fighting. The Austrians are progressing along the Okna-Neviska line.

GERMANS PREPARING FOR NEW CALAIS SMASH

LONDON, July 16.—Rotterdam dispatches today indicate that the Germans are apparently preparing for another smash at Calais. Eighty thousand men, with hundreds of guns, today left Aix la Chapelle for the Yser, is the report.

SECRETARY OF STATE HOLDS CONFERENCE WITH TEUTON

WASHINGTON, July 16.—Secretary of State Robert Lansing and German Ambassador Von Bernstorff held a conference today. It is understood Von Bernstorff sought mediation between Germany and Britain regarding sea warfare methods. It is believed Von Bernstorff suggested that the Kaiser would cease the submarine of merchantmen if England would abandon her "starvation blockade."

HOLLAND TO BUILD GREAT NEW BATTLESHIPS

THE HAGUE, July 16.—The Second Chamber of Parliament today appropriated \$11,200,000 to build two 7000-ton cruisers and four 800-ton submarines.

A second bill passed appropriating \$8000 to construct naval hydroplanes. The government was authorized to keep the Dutch army under the colors. The speakers declare the increase is for emergency purposes.

BROTHER OF CZAR ASSERTS GERMANS ARE DOOMED

HADN'T BETTER GO A-MONKEYING ROUND THIS PUGET SOUND FORT

PORT TOWNSEND, Wash., July 16.—Puguet Sound forts, it is believed, will head the list of American forts for accurate target practice.

Sergeant Porter, of Fort Flagler, yesterday scored three hits from four shots at a moving target at 12,000 yards. This is believed to be a world's record.

At night the same battery scored four hits in four shots at 7000 yards. The Ninety-fourth company scored five out of seven shots. One out of eight is considered good shooting.

GIVES LIST OF BOOKS IN LIBRARY TO BE USED WITH THE STORY TELLING WORK

GUIDES TO GOOD READING

The committee of which Miss Hazel Demus is chairman of the Parent-Teacher Association of the Intermediate school has secured lists of books suitable for summer reading for children. In preparing this list the lists of books recommended by the libraries of Los Angeles, St. Louis, Mo., and Jacksonville, Fla., for use in story-telling classes, such as will be started at 2:30 o'clock on Saturday of this week at the Santa Ana Public Library, were secured. Three lists were checked over by Miss McFadden, the Santa Ana librarian.

The books included in those lists that are to be found in the Santa Ana library follow:

Arnold, G. W.—"A Mother's List of Books for Children." (Contains graded list 2-14 years; short descriptions of books.)

Lee, G. S.—"The Child and the Book." (Aiming to help the child to be more vital and originitive.)

BOARD OF SUPERVISORS

ISSUE BONDS TO PAY PAVING AT LA HABRA

Total Cost of the Job Is \$93,140—Road Is Asphalt Concrete Mixture

Today the Board of Supervisors issued bonds amounting to \$93,140 to pay for the 4.85 miles of paved road that has been laid in the La Habra Valley by Road Improvement District No. 1.

The road is considered the best paved county road in the state. Few cities have paving that is superior. The road is made of asphalt and concrete, mixed somewhat along the lines laid out in the Warren patent. First there was a laid three inches of the mixture, the rock being coarser than that used on the surfacing. After this was rolled with a 10-ton roller, a two-inch surfacing was added and rolled. The two layers bind together and form one mass. Somewhat the same specifications were used on this road as were used in the Fullerton roads, except that Fullerton's paving is four inches thick laid all at once. The bonds are payable by taxes levied on Road Improvement District No. 1 only. That district includes La Habra and Brea, and the territory between the city limits of Fullerton and the north county line. The last of the bonds will be payable on July 16, 1935.

This morning Fred Osburn, president of the O. & C. Construction Company, which firm built the road at a contract price of \$89,179, received bonds in payment for the work. Other expenses in connection with the work brought the bond issue to \$93,140. The county furnished \$15,000 worth of material for the road. The engineering work on the road was done by County Surveyor J. L. McBride. The people of La Habra are highly pleased with the road. With a width of twenty-two feet it is the widest paved road in the county.

BALANCE JULY 1 HIGHWAY FUND \$219,878

Monthly Statement Is Made By Commission That Is Building Roads

According to the monthly report made by G. A. Whidden, secretary of the County Highway Commission, to the Board of Supervisors, there remained in the highway fund on July 1, 1915, a balance of \$219,878.03.

The total receipts credited to the highway fund is \$1,368,369.29, which includes an item of \$41,047.94 for accrued interest. Under an opinion of the district attorney that sum will probably have to be transferred to the interest and sinking fund of the county.

The statement bunches expenditures of the highway work as follows:

Auditor's transfer	4,864.50

HELLO, BILL!

Tomorrow the antlered herd will
brouse on the rich pastures of Orange
County, and bathe their brows in the
cooling breezes of the Pacific.

All Orange County bids them wel-
come! Here, as everywhere else, the
earth and the fitness thereof is theirs.
They are truly the Best People On
Earth. In no great fraternal organi-
zation is the true spirit of brother-
hood more strikingly apparent, more
truly and effectually manifested.

Both as individuals and as an or-
ganized body the Elks are public
spirited citizens. They are boosters.
There is a broad and catholic char-
ity. It knows no race nor color, nor sect
nor creed. It is universal. There is
a dauntless courage, an inflexible opti-
mism. They always smile.

Our salutations, our compliments,
our fond farewells we give thee, dear
B. P. O. E. Come again. Come often.

Many have no comprehension of the
sentiments of fraternity and charity
which stir the breasts of men having
to do with some of the fraternal so-
cieties. This remark is prompted by
the presence in California at this time
of so many Elks, and the fact that
there is existent within that organi-
zation what is known as the "Big
Brother Movement," wherein mem-
bers become responsible for the edu-
cation, training and general upbring-
ing of some boy who otherwise would
be a homeless waif on the fringe of
society, in all probability growing up
into a life of worthlessness, if not
crime. The Pasadena News says of
this movement that "It means oppor-
tunity to many a lad, and a new out-
look on life. At the same time it is
just as good for the big brother him-
self. Many Elks are prosperous busi-
ness men, and a fair proportion of
them have assumed no family obliga-
tions, for the order is recruited lar-
gely from among the younger element.
However, the care of one boy would
not overtax the resources even of the
family Elk. To the unmarried the
thought of responsibility would be a
sort of stabilizer. What finer work
could there be than to take a friend-
less youngster and be his friend?
There are countless boys who have
latent in them the possibilities of the
most useful citizenship. All they need
is the chance. Nothing could so
arouse the ambitions of such a boy as
to know that some man, some factor
in the busy world, would call him "Little
Brother," lead him, and keep him on
his feet until strong enough and wise
enough to go alone. This Big Brother
idea seems to be a beautiful expres-
sion of charity. It is an honor to the
order. It is because of a spirit that
makes Elks do such things, that the
doors of hospitality open to them so
willingly, and their colors are accept-
ed as the badge of merit."

Every champion trains once too
often.

BABY FALLS TO DEATH AFTER FIRST AUTO RIDE

NEW YORK, July 16.—Michael
Clancy, a taxicab chauffeur, finished
his day at 9 o'clock and was returning
to the garage at Park avenue and
Sixty-fifth street with his car.

He went several blocks out of his
way to pass his home at 103 West One
Hundred and First street, for he knew
his 2-year-old daughter, Catherine,
would wave from the window.

Catherine had never been in an
auto, and Clancy, when he saw her
laughing face, could not resist the
temptation of taking her for a ride.

Through Central Park they sped,
Catherine cowering with delight. Then
back to the garage, where a big ele-
vator took the car to the fourth floor.

Clancy was brushing the dust from
the taxi, and Catherine was romping
about the floor. Someone below need-
ed the elevator and lowered it to the
basement. Little Catherine, all un-
conscious of the danger, toddled to-
ward the opening, lost her balance
and fell.

Clancy rushed to the basement.
Seizing the mangled little form, he
jumped into the nearest car, put on
full speed and raced to Flower Hos-
pital.

"For God's sake, save her," he plead-
ed.

The doctor shook his head.
"She's dead," he whispered.

HELD FOR TRIAL AS TENEMENT 'FIREBUG'

NEW YORK, July 16.—"The most
dangerous firebug caught this year" is
Walter Stone, 21, of 305 Forty-ninth
street, according to Thomas Brophy,
chief of the new Bureau of Fire Pre-
vention.

Stone was held without bail on con-
fession of setting fire to tenements at
23 Fourth avenue and 658 Fulton
street.

He is also charged with firing a
tenement at 18 Fourth avenue June
21, when a 14-year-old boy was burned
to death.

MAN CLEARS SUBWAY COACH WITH CRUTCH

NEW YORK, July 16.—A one-legged
negro, using his crutch as a weapon,
drove all the passengers from a car of
a Subway local and used it as a pri-
vate coach from one Hundred and
Thirty-fifth street down to Seventy-
ninth street.

Twenty-five women passengers fled
in panic. Finally arrested, he said he
was William Brown of West Fourth
street.

CAPTAIN IS DROWNED TRYING TO SAVE WIFE

NEW YORK, July 16.—Capt. Charles
Shoemaker, 45, of the New York Central
lighter, Powerful, was drowning in the
Harlem river while attempting to
rescue his wife, who had fallen
overboard. The lighter was moored
at the foot of One Hundred and Fif-
tieth street.

Captain Shoemaker jumped into the
river when he heard his wife's
screams, but was immediately seized
with cramps, and began to float help-
lessly down the river with the tide.

A number of subway employees from
the nearby yard rushed to the rescue
and succeeded in pulling out Mrs.
Shoemaker.

Two of them obtained a boat and
finally picked up the captain, who was
by this time unconscious. Dr. Rosen-
bluth of Harlem Hospital worked over
him for some time without success.

MOTHER ORDERED TO SPANK SIX-FOOT SON

NEW YORK, N. Y., July 16.—Henry
Schwab, seventeen, six feet tall and
robust, stood beside his diminutive
mother, Mrs. Hortense Schwab of
1045 Fox street.

"I've a good notion to send him to
jail," said Magistrate Appleton, "but
I'll let him go if you, Mrs. Schwab,
will give him a good spanking."

"I'll try," said the little mother, as
she left arm in arm with her big son.

BOY'S TONSILS CUT, HE BLEEDS TO DEATH

NEW YORK, July 16.—Following an
operation for tonsillitis, Thomas Walsh,
9 years old, bled to death in the office
of Dr. J. Oscoe Chase, No. 214 East
Fifty-third street, who performed the
operation.

The physician tried all possible
means to stop the hemorrhage. As a
last resort the Polytechnic Hospital
ambulance was sent for, but the boy
was dead when it arrived.

BOY MORTALLY SHOT IN MIMIC WARFARE

NEW YORK, July 16.—In a mimic
warfare among boys of many nation-
alities armed with "toy" pistols at
East Fifth street and Avenue A,
Sander Talesik, ten, of 535 East Fif-
teenth street, fell mortally wounded.

He had been shot just above the
heart with a bullet from a revolver.
The boy's companion fled. At Bel-
levue Hospital the physicians held out
no hope of recovery.

BOY HELPLESS FROM FALL KILLED BY AUTO

NEW YORK, July 16.—An automo-

MERRY DINNER PARTY

Congenial Company Enjoys Hospitality of Winsome May Bride

One of the enjoyable affairs of last evening was the merry little dinner party with which Mrs. L. J. Tiltont entertained at the attractive Bungalow Apartments, her guests being a group of congenial co-workers at the Orange County Title Company.

A green and white color scheme had been chosen, the prettily appointed table being centered by a basket of fragrant white roses and sprays of plumosus fern. Nut baskets were festooned with sprays of lilies of the valley and places were marked by cunning little cards, while the white and green color motif was reproduced throughout the serving of the delicious repast.

An exciting guessing contest provided ample entertainment during the evening, enjoyed by the following guests: Misses Norma Andrews, Ruth Collins, Adelaide and Clara Willis, Amanda Thee, Hattie Whidden and Winifred James.

Delightful Afternoon
A trio of Santa Ana ladies, Mesdames Parke S. Roper, L. A. Collier and M. A. Yarnell, spent a delightful afternoon yesterday with Mrs. W. A. Huff, who is enjoying a rest at the Huff cottage at East Newport.

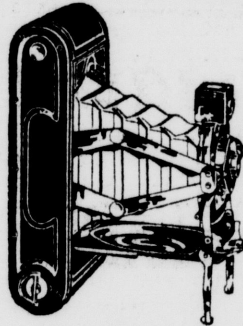

Auction bridge was the diversion of the afternoon and when the merry games ended Mrs. Huff generously presented each guest with a dainty little bread and butter plate, her own exquisite handiwork.

Before leaving for home, the company enjoyed a delicious little spread.

Important Meeting

CHANCE TO HELP

Work Begins In Earnest at Office of Associated Charities—Telephone Installed

The new telephone installed yesterday, completed the equipment of the headquarters of the Santa Ana Associated Charities in the Spurgeon building, where work is beginning in earnest, office hours being from 2 to 4 o'clock.

A variety of donations are in demand and food, furniture, clothing or money will be gratefully received and applied to worthy cases.

Just now, these necessities are solicited for an unfortunate Spanish family who lost their home by fire, the father being ill and the mother unable to work on account of his care. The new telephone number is 9761, and those able to aid in this worthy cause are urged to join in service, at once.

Priscilla Club Meets
Members of the Priscilla Club spent a pleasant afternoon yesterday with Mrs. W. R. Coleman at 815 Van Ness avenue.

Shasta daisies were used in decorations and the hours were merrily whiled away with needlework and social chat.

A cooling collation refreshed the company at the close of the delightful hours enjoyed by Mesdames Ray Dresser, Homer Young, J. P. Head, J. L. McBride, A. P. Dresser, W. T. Kirven, W. H. Howell and the hostess, Mrs. W. R. Coleman.

Enjoyable Social Soon
The Ladies' Aid Society of the South Side Methodist Episcopal Church held a delightful meeting yesterday in the ladies' parlors.

Two new members joined this society, which though newly organized, is rapidly growing in numbers and enthusiasm.

Rev. H. G. Burgess, the new pastor, and his wife, of Long Beach were present and during the pleasant social hours, plans were made for another social to be held Friday, July 23.

The recent social given by this little church was so thoroughly enjoyed that all who attended are anticipating another good time, to which they cordially invite their friends.

Wed in Los Angeles
A wedding of interest to the many friends of the bride and groom occurred Wednesday in Los Angeles where Miss Esther Squires, daughter of the late Robert Squires and Mrs. Mary Squires was married to Lawrence Neely also of this city.

The young couple will soon leave for Arizona where they will prove up on land. Mrs. Mary Squires will accompany them and wishes for happiness and prosperity will follow the party to their new home.

Day's Outing by the Sea
Miss Viola Hill is enjoying a visit from Miss O. M. Baxter of East Milton, Mass., who will spend several days in Santa Ana.

Miss Baxter is a teacher in the Hartford School of Religious Pedagogy, where Miss Hill was a student last year.

Today Mr. G. P. Hill assisted his daughter in making Miss Baxter's visit pleasant by taking them on a motoring trip to San Juan Capistrano and Laguna. Miss Lucy Hill also being one of the party.

MEN'S SUITS at \$15

You have seen a good deal of advertising lately of men's suits to sell at \$15.

Some of the advertisers promise you \$25 suits for \$15; others modestly promise you only \$20 suits for \$15.

We have been in this game for somewhat over forty years; you can trace back through Dunn's or Bradstreet's for many years and you will find opposite the name of Vander-mast—"Discounts his bills, prompt pay."

This means that the largest manufacturers of clothing—those who sell on a very close margin and who cannot afford to "take a chance"—are glad to solicit our business—especially as we buy for three stores.

We would be glad to have you compare values before buying; that is as fair to you as to the merchant.

GRACE CUNARD, MOVIE ACTRESS, PAYS A FINE OF \$12 TO JUDGE COX

Grace Cunard, movie actress of Universal City, has taken part in automobile speed chases and such like stunts many times for the benefit of those who see moving pictures, but last Saturday she took part in an incident that might be classed as real comedy—though an automobilist who is arrested for speeding rarely sees anything funny about it.

George Shearon, a movie actor, was at the wheel. The machine was moving along Irvine boulevard at a rate of speed caught by the motor cops at over thirty-five miles an hour.

After the automobile had passed the trap, Motorcycle Officer Roy Ballard got aboard his machine and gave chase. He made the arrest and gave notice of the place for Shearon to appear.

Yesterday a long distance telephone message was received here from Grace Cunard at Universal City. She said she would pay the fine. This morning Justice Cox got a check for \$12 from her.

AMUSEMENTS

At Clune's

An unusually good program is being presented at Clune's for the last half of this week. It consists of six well-balanced quality numbers and cannot fail to please the most particular theatergoer.

The feature picture is a screen version of that much-discussed social problem play, "Man's Prerogative," starring the prominent actor, Robert Edeson. Again it is the question of the double moral standard of man and woman. However, there are not the slightest objectionable scenes in this picture that often are unpleasantly noticeable in others of the same character. Mr. Blink of Bohemia is fully as laughable as the usual Sidney Drew comedies and that is speaking well of it. "The Table of the Intermittent Fuses," another of George Ade's revelations in slang, is a laugh-provoker from first to last.

"A Japanese Torpedo Boat Destroyer in a Storm in the Yellow Sea" is the subject of a thrilling reel. Probably not more than one person in a thousand have ever experienced a storm at sea and certainly fewer than that have ever witnessed a ship in a storm.

The interest in this picture was intense last night and more than one involuntary exclamation escaped from the audience as it was shown. "Those Three Boys," billed as harmony singers, live up to their advance notices. They are singers of real harmony and with their comedy numbers make an act much enjoyed.

Ruth Ford, singer and dancer, deserved all the applause she received, and the audience was not stingy with it either.

At the Lyric

"When Justice Sleeps," is the third theme of the "Who Pays?" series of pictures which is being presented at the Lyric Theatre every Thursday and Friday, and being in three acts, complete as shown, is probably attracting more attention among the ladies of Santa Ana than any other photo play ever presented. These stories are on vital questions of life and it is said every man or woman who witnesses these productions will find his or her life portrayed in a manner that is startling in its presentation. Tonight (Friday) is the last showing of the third attraction.

The special added attraction is King Baggot and Jane Gail in "A Life in the Balance," in two parts, while an L-KO comedy with Harry Gibbons, ends a fine program.

CITY SPECIALIST WILL MAKE REGULAR VISITS TO SANTA ANA

Dr. T. J. Randall, physician-in-chief of the California Diabetic Sanitarium, of Los Angeles, has arranged to make periodical visits to Santa Ana. The doctor is now at the Rossmore Hotel for a few days and announces that he will be here at regular intervals from now on, and will give advance notice of the date of his coming, in this newspaper. Several patients in Santa Ana and vicinity have had heretofore to make the trip to the city for treatment, and it is for the convenience of those who require his services that the doctor has decided on this new arrangement.

WENT INTO BARN AND STOLE FOUR WHEELS FROM OWNER'S BUGGY

Four red wheels were taken from a buggy at El Modena last night. This morning Rev. Walker went to his barn, and found that during the night the place had been visited, and the wheels stolen. Sheriff Jackson was called upon to make an investigation. So far as the sheriff was informed, nothing but the buggy wheels was taken.

For Old-Time Iowa Friends

Mrs. and Mrs. J. B. Winter of 1706 Bush street entertained a company of nineteen last evening, most of their guests being old-time friends and neighbors formerly living at Fort Dodge, Ia.

Shasta daisies and pink roses carried out the color scheme of pink and white and during the social hours, when reminiscences were enjoyed, an appetizing lap supper was served.

The hours were beguiled so swiftly that the merry company did not depart until the midnight hour.

Big Spread Rewards Workers

The members of Company L who have been so industriously joining in "Clean Up" week at the Armory, where they are making preparations for model club rooms, enjoyed an excellent home-cooked dinner this noon. Rib steaks, done to a turn, formed a substantial part of the appetizing menu, though with Messrs. Stearnes, Van Boeger and Crane as a trio of head chefs, there were plenty of other good things to satisfy the keen appetites of the busy workers.

The boys are planning to have the walls of the club rooms re-tinted and many conveniences added and expect to begin orchestra practice in the near future, all of which goes to show a commendable increase of interest.

Captain McBride and Lieutenant Knight were among the guests who enjoyed today's spread.

Double Birthday

The birthdays of a winsome little maid and a dear old lady were happily celebrated yesterday when by chance, their birthdays were discovered to come on the same day.

The honorees were Mrs. C. B. Pulver and Miss Inez McArthur of East Santa Clara avenue, who have lived side by side for many years without discovering this important fact.

The merry celebration took place last evening at the Pulver home, cheerily decorated with roses and geraniums, and during informal social hours a bountiful supply of ice cream was served with two lovely birthday cakes, trimmed with pink candy candles.

The company included Mr. and Mrs. C. B. Pulver, Mr. and Mrs. Alvin Clifford, Mr. and Mrs. R. H. McArthur, Miss Inez McArthur and Laurence McArthur.

\$50,000 Worth of Crisp New Merchandise Will Be Mercilessly Sacrificed!

Clothing for Men, Women and Children, Dry Goods, Fancy Goods, Bedding, Drap-
eries, Shoes, Etc., WAY UNDERPRICED FOR IMMEDIATE CLEARANCE

Necessity Knows No Law---

We had expected an unusually heavy spring and summer business, and bought accordingly. None of us anticipated the slump in trade caused by the awful war in Europe, and its resultant business depression throughout the country. But such being the case, we are OVERSTOCKED—greatly so—and to remedy this we've decided to make LITTLE PRICES move out this big stock surplus. It means a loss—a big loss to us, but it has been our rule to never carry merchandise over from one season to another, hence this great CLEAN SWEEP SALE.

There will be phenomenal bargains here during this sale—money saving possibilities beyond your expectations, so avail yourself of the time—and remember—every statement made here is backed by our reputation of square dealing, gained by our 27 years of business dealing among you.

ELKS' MAGAZINE TRUE BOOSTER FOR GLORIOUS CALIFORNIA

Santa Ana Elks have received their copies of the Grand Lodge Reunion number of "The Pacific Coast Elk," published at Los Angeles, and are more than pleased with the handsome appearance of the edition, typographically and editorially.

It is certain that this special edition of the magazine will prove a splendid advertisement to California and especially to Southern California. Hundreds of copies of the beautiful magazine will be mailed by visiting Elks to their eastern friends and the striking and artistic illustrations and well written stories with which the edition abounds cannot help but favorably impress readers "beyond the Rockies."

The frontispiece is a full-page halftone of Raymond Benjamin, grand exalted ruler, 1914-15. On the three succeeding pages are found reproductions of photographs of the other grand

Land of Heart's Desire

The first article in the magazine is one by John Steven McGroarty, author of "The Mission Play," entitled "California—the Land of Heart's Desire." McGroarty's article is well written and touches expertly and with a loving hand upon the romantic history of the state.

"A land so rich in soil, so nearly perfect in climate, and which has practically an inexhaustible supply of minerals will not fall asleep, writes McGroarty, "With her thousand miles of sea coast, California is fitted as a keystone into the western shores of both the Americas. Before her lie Cathay, the Orient, Asia and Africa, the continents and the islands of the greatest of the oceans. Behind her are all other lands and all other seas. Her soul is the soul of beauty; her heart is boundless in its love."

"The mighty mountains o'er it. Below, the white seas swirled— Just California, stretching down The Middle of the world."

"Boost" Spirit
Other articles, all overflowing with the "boost" spirit, and certain to win many hearts for California, are, "What California—1915 Means to Elksdom," "Glories of the Universe," an able account of the Panama-Pacific International Exposition; "Old Mission Magic," telling of the beauties of the Panama-California Exposition; "The California Mission Play," "Magic Irrigation Makes the Desert Bloom," "Live Longer and Happier in California—Why?" and many others.

Every story is profusely illustrated with well made and well printed cuts and cannot help but make a deep impression upon the thousands of Elks from all sections of the United States who are visiting Los Angeles this week.

Not least among the many handsome features and one in which local Elks are particularly interested is the one pertaining to Santa Ana Lodge No. 794.

Local Lodge History
In an entertainingly written story is told the history of the Santa Ana Lodge of Elks, from its beginning on July 14, 1902, to the present time. The names of the charter members are given and much other information of great interest to members of the local lodge. The account of how the lodge was founded and how it finally succeeded in erecting its own building, is extremely interesting.

Opposite the page write-up on the Santa Ana lodge are found handsome halftones of prominent Elks, as follows: H. J. Lowe, exalted ruler; M. A. Patton, esteemed leading knight; William C. Jerome, esteemed lecturing knight; H. A. Gardner, esteemed loyal knight; W. W. Wasser, secretary; Fred H. Newcomb, inner guard; C. E. Jackson, C. T. Johnson, trustees; and Past Exalted Rulers, Parke S. Roper, J. C. Burke, George H. Dobson; Fred A. Ross, W. F. Menton, M. L. Keeler, H. C. Head and J. H. Turner.

"Lively Bunch"

In conclusion the article on the Santa Ana lodge says:

"From its genesis to the present moment Santa Ana Lodge of Elks has been a very lively bunch of the antlered herd. It has grown in numbers continually and now has more than six hundred members, with applications coming in faster than ever. It has gone on many pleasant pilgrimages and excursions; it has given minstrel shows, and other kinds of entertainments, and its social functions and entertainments have been notably successful. It took a prominent part in the meeting of the Grand Lodge in Los Angeles during July, 1909—so prominent and original that pictures of its stunts in the grand parade were published in the leading papers and magazines throughout the country. By active and original boosting at various grand lodge sessions it has placed Orange county on the map of the United States. And always it has lived up to the precepts of the order by dispensing charity without ostentation."

METZGAR ADDRESSES ON ADVERTISING

Fullerton Tribune: Nearly fifty members of the M. and M. Association attended the banquet at Masonic hall Wednesday night, gathering around the tables at 6:30.

An hour later President Skillman called the meeting to order in the hall. The matter of advertising propositions, other than in regular newspapers, was discussed, and on motion, the association voted unanimously to stand by its advertising committee.

On motion Mayor Gregory, T. R. McDonald and G. C. Crandall were appointed to confer with a committee of the Chamber of Commerce to take up the matter of consolidating the two organizations—to try and arrive at some plan by which the Chamber of Commerce members can come into the

MRS. BEIDEL TELLS WOMEN

How Lydia E. Pinkham's Vegetable Compound Kept Her in Health for 14 Years.

Shippensburg, Pa.—"It was several years ago that I started taking Lydia E. Pinkham's Vegetable Compound. I then suffered terribly every month. My husband bought me a bottle of it and it helped me right away. Then after my second child was born I had a female trouble very badly and I used Lydia E. Pinkham's Vegetable Compound and in a short time was cured and have been in excellent health since. I always praise the Compound whenever I have an opportunity as I know it helped me and will help others. Lately I have given the Compound to my daughter and I wish all suffering women would take it and be convinced of its worth."—Mrs. JAMES A. BEIDEL, 113 N. Penn Street, Shippensburg, Pa.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham laboratory at Lynn, Mass., seem to prove this fact.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

Merchants and Manufacturers' Association

The president and secretary were authorized to write the Santa Fe requesting that railroad to again print in its time table that certain trains are operated via Fullerton.

L. H. Sutton, W. H. Dreyer and W. L. Bendley, were requested to write the Southern California Auto Club to see that Fullerton is placed "on the map" when it comes to posting road signs in this country.

Says Advertising Pays
Secretary Metzgar of the Santa Ana Chamber of Commerce delivered an able address, stating that the members should support the officers of the organization. He declared that in a short time the oil and other industries here would make Fullerton a big city; that our business men should cooperate and pull together. That the Santa Ana business men were trying out a plan to take orders from the country to be filled by parcel post—that it might work well here also. He also said:

"The jitney bus is a great thing for this country; it brings many people to our cities not reached by the railroads. The good roads are responsible for the jitney bus and the auto trucks which help to reduce the railroad rates."

"Advertising pays, but you must have the goods at right prices when they come into your stores. The stores that are doing the business nowadays are the stores that are advertising."

A POPULAR SWIMMING HOLE MAY BE CLOSED

Orange News: The most popular "swimming hole" in Orange county is likely to be closed to the public unless certain boys who enjoy the privilege of bathing in it amend their ways. The swimming hole is a reservoir on the Bibby ranch at Villa Park. To it every week comes scores and hundreds of boys from all Orange county. Automobiles, motorcycles and bicycles make daily pilgrimages there and often the whole reservoir is alive with splashing arms and legs.

But some of the youthful visitors abuse the privileges given them. Passing the Smith orchard on the way to and from the reservoir, they have made a practice of "swiping" oranges and this has been carried so far that nearly fifty boxes have been taken from the one orchard.

Recently some of the reservoir visitors secured several pounds of big headed tacks and scattered them across the road, just to hear things pop. Fortunately they were discovered before any damage was done.

Shooting out of the windows of the Villa Park pumping plant is another piece of mischief charged against the swimmers. These things are imperiling the privileges that they enjoy, however, for the owners of the reservoir feel that if such pranks continue they will be compelled to close it to the public. That would deprive a whole lot of young fellows of a whole lot of fun; so that the boys who swim there should be careful that such things do not occur in the future.

GOOD OFFERINGS ARE ON AT COLONIAL

The Colonial Theater at Orange is offering more worth-while attractions during the summer months than most houses are able to secure.

"The Goddess," featuring Earle Williams and Anita Stewart in what is admittedly the most beautiful film story ever produced, holds the boards tonight (Friday).

Saturday "The Columbia Park Boys' Club," a 44-piece band at the Electric, also under C. E. Hudson's management and across the street from the Colonial.

Monday Francis X. Bushman and Beverly Bayne in the six-act masterpiece "Graustark" is one offering.

Hudson has sold the Colonial, to give possession Thursday, July 22, and this is the last week during which the theater will be under his control.

CRACK DIVER OF GERMAN FLEET IS WIPED OUT BY RUSSIAN WARSHIPS

(CONTINUED FROM PAGE 1)
Michael Alexandrovitch, brother of the Czar, today told correspondents that "Germany's armies are doomed to ultimate catastrophe, despite their temporary successes. The Germans thought they would crush us in two or three months and impose terms of peace. Despite the long preparation and perfect condition their plans failed. It was a cruel mistake. The Germans have suffered a mortal blow."

RUSSIANS FAIL TO CHECK GERMANS AT WINDAU

BERLIN, July 16.—It is announced that the Germans have crossed the Windau river in North Poland near the Baltic despite desperate resistance. In West Prussia the French are trying to regain the ground the Crown Prince captured.

SOAP IS BAD FOR THE HAIR

Soap should be used very sparingly, if at all, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

The best thing for steady use is just ordinary mulished coconut oil (which is pure and greaseless), is cheaper and better than soap or anything else you can use.

One or two teaspoons will cleanse the hair and scalp thoroughly. Simply moisten the hair with water and rub it in. It makes an abundance of rich, creamy lather, which rinses out easily, removing every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves the scalp soft, and the hair fine and silky, bright, lustrous, fluffy and easy to manage.

You can get mulished coconut oil at any pharmacy, and a few ounces will supply every member of the family for months.

IN THE JUSTICE COURT

WIFE WEEPS AS FORGERY CASE PROCEEDS

W. E. Eck Is Held to Answer For Trial In Upper Court On Felony Charge

While W. E. Eck sat before Justice Cox this morning for a preliminary examination on a forgery charge, Mrs. Eck sat in the courtroom with a little baby on her lap, and wept.

Eck did not testify. He had no questions to ask. He had no attorney.

The man is charged with forging the name of H. L. Woodruff to a \$10 check accepted by Bergman & Obarr of this city. E. B. Mitchell, employed at Bergman & Obarr's market, testified that Eck was the man who presented the check, and Mitchell saw him endorse it, using the name M. W. Eckstrom.

Justice Cox ordered Eck held to answer for trial in the superior court. His bail was fixed at \$1000.

\$50 Second Offense

Pleading guilty to a second offense speeding charge, Claire Young of Santa Ana today paid a fine of \$50, which is the minimum fine for second offense.

H. E. Johnson, D. W. Nickels and C. W. Johnson paid \$10 each on speeding charges, and C. E. Bacon \$3 for not having proper lights on his machine.

'LITTLE GERMAN BAND' PLAYS 'AMERICA' NOW

NEW YORK, July 16.—"Ach, we play it 'America,' not 'Die Wacht am Rhein,'" announced a chubby German in the Federal building. Seven other Germans nodded their heads in acquiescence.

The eight, comprising a street band, declared their intention of becoming citizens of the United States. They carried their instruments with them. All were sworn in and presented with first papers.

If time were money the average man would have his watch geared to run forty-eight hours a day.

AT THE COURTHOUSE

SECOND ACTION AGAINST QUETU IS DISMISSED

Of Three Attacking Validity of Deeds, Only One Case Remains On Deck

The second of the actions brought against Rev. Alfred Quetu of San Juan Capistrano attacking deeds made by him to the Capistrano Ranch Company and by the Capistrano Ranch Company to the Valencia Ranch Company, was dismissed today by Judge Thomas. The suit was brought by John A. Davis of Los Angeles on a judgment of \$3160 entered in Los Angeles against the Capistrano. The complaint alleged that Rev. Quetu deeded 490 acres to the Capistrano Ranch Company for the purpose of defeating any attempt to collect upon a note upon which the Los Angeles judgment was secured. A demurrer to the complaint was sustained by Judge Thomas and leave to amend was given. No amended complaint has been filed, and today judgment dismissing the case was given.

The Davis complaint was one of three filed here, each alleging transfer of land by Rev. Quetu to the ranch company, each asking that the deeds be set aside so that execution could be satisfied. The first case, brought by the Orange County Savings & Trust Company, was dismissed in June. Now comes the dismissal of the second. The third was brought by the United States National Bank of San Diego. It is still pending.

Property Is Sold

Today Judge West signed an order confirming the sale of the lot and two-story house at the southeast corner of Eighth and Main streets by the I. O. Wilson estate to J. J. Morse for \$5,000. The property was appraised at \$5,000 by C. J. Woodford, J. C. Burke and J. N. Anderson.

Inheritance Tax

J. N. Anderson, state inheritance tax appraiser, has filed a receipt showing \$746.80 paid to the state by heirs of L. N. Brooks.

Bingo Is His Name

Having been married according to the laws of this country, Sadaki Bingo is going to have that marriage broken by the laws of the same land. Bingo is plaintiff in a divorce action brought here against Taki Bingo. W. F. Heathman is his attorney. The wedding ceremony by which the Japanese bride's name became Bingo was performed at Seattle six years ago. Three years ago she deserted. That is the charge made by her husband who now lives at Anaheim.

Submit On Briefs

Judge Thomas has completed taking testimony in the case of Frank McGuire, Jr., and J. L. Freels against the Pacific Coast Broom Co. of Huntington Beach. The plaintiffs asked \$846 judgment on commissions for selling brooms. The defendant, represented by Attorneys Williams & Rutan, alleged misrepresentations in sales that had cost the company considerable money.

Juvenile Court

Fern Smith, aged 17, who lives east of Anaheim, had a hearing in the juvenile court this morning. It is alleged that she is beyond the control of her parents. Following the hearing Judge Thomas ordered that she be kept at the Detention Home for two weeks, at the end of which time his decision as to what shall be done with her will be given.

BREA'S MAIN STREET MAY BE PAVED

Brea Progress: Brea can have \$3000 from the road fund to apply on the cost of paving Pomona avenue from curb to curb. Supervisor Schumaker, who took in hand the matter of securing an appropriation for this work, announces that \$3000 from the road fund of the district will be accessible if the property owners along the proposed district want the paving done. The good roads committee of the Chamber of Commerce is at work in an effort to find the wishes of the property owners in regard to the proposition.

This is the best chance this town will ever have to secure street paving at nearly no cost to the town or property owners.

The appropriation of \$3000 would make the paving cost about \$1.10 per lineal foot and the owner of a fifty-foot front lot can have his street paved from curb to curb for \$55. This is a snap and no one should stand back a minute in accepting the opportunity.

La Habra is to secure quite a benefit from the surplus of the special good roads fund of Orange county. This district has been allowed \$8000 from this surplus and the money will be expended for paving in La Habra and vicinity. Hyatt street will be paved from the P. E. depot to the state highway and Demoyne street will be paved from the railroad track to Central avenue.

FATHER OF FAMILY OF 17 DIES AT 90

HARTFORD, July 16.—John Dumas died at his home in Danielson at the age of 90. He was the father of seventeen children, and was active and in good health until recently. He had two children by his first wife, who died in 1851, and fifteen by his second wife, whom he married in 1852. Eleven of the children are still alive.

GIRL, DUSTING, IS KILLED BY PICTURE

NEW YORK, July 16.—Jennie Schickler, 18, of 175 Rivington street, was dusting in the parlor when a picture fell upon her. It cut open an artery in her neck. She ran screaming to a nearby drug store. There she was sent in an ambulance to Gouverneur Hospital, but she reached there too late. She bled to death.

SANTA ANA, CALIFORNIA, FRIDAY EVENING, JULY 16, 1915.

\$10,000 HOTEL AT ARCH BEACH IS NOW BEING ERECTED

Now that Orange county has completed the boulevard from Santa Ana through the Laguna canyon to Laguna Beach and improved the dirt road to Arch Beach, an unusual amount of building activity is taking place and automobilists will find Arch Beach a most inviting objective point as this road and beach are recognized as among the most scenic and picturesque in the state.

A number of bungalows are being constructed along the ocean front and F. A. Jatus is erecting at Arch Beach a modern and up-to-date hotel, which will be open to the general public about September 1. This hotel when completed will cost in the neighborhood of \$10,000. This hotel, while not large, will not be one of the stereotypical hotels usually found at most beach resorts. It will be rough in design but artistic and in keeping with the general surroundings at Arch Beach.

Artistic Hotel

It is announced that the hotel will be practically three stories in height. It will occupy a ground space of 125x75 feet. The lower story will be devoted to lobby, office, kitchen, large dining room and servants' quarters. The second floor will be given over to about twenty-five guest rooms. The third floor will be in the nature of a spacious roof garden, from which a superb view of the coast line will be had.

New Subdivision

The France Investment Company, owners of a tract at Arch Beach, have just opened up a new subdivision there and the hotel is being constructed on their property. Willis J. Adams of Riverside is building an artistic beach bungalow and Loyal F. Watson of Geny, Davis & Watson architects and engineers, is preparing plans for a seven-room bungalow for G. O. France of the France Investment company.

The auto bus service from Santa Ana has been greatly improved with larger cars and more frequent trips. Fares have also been substantially reduced, due to the new boulevard and consequently rapid growth and increase in passenger traffic.

OVER 28,000 SACKS BARLEY FROM 3000 ACRES, BE HARVESTED

Yield From Ranch Near Modjeska's to Be Heavy This Year

Orange county has a combined header and threshing machine that cuts a swath 28 feet wide. Waller & Sleeper are now heading, threshing and sacking their big barley crop with one of these machines, which is operated by a sixty-horsepower traction engine.

They are farming nearly three thousand acres up in the mountains near the Modjeska ranch. The output from the ranch last year was 28,000 sacks of barley, and it is said it will be larger this season. It takes over 2500 sacks a year to seed the immense ranch.—Fullerton Tribune.

WEST END THEATER IS OPENED; BIG CROWD IN ATTENDANCE

Two crowded houses at both of last night's opening performances at the new West End Theater inaugurated what promises to be one of the city's most popular amusement enterprises.

Located at the southeast corner of Fourth and Birch streets, and a really remarkable example of the beautiful in architecture as applied to the design and construction of motion picture houses, the new theater is a credit, not only to the rapidly advancing west end section of Fourth street, but to the entire city as well.

The film of "Stolen Goods," with Blanche Sweet in the stellar role, was the number offered by Manager Schlesinger for the inaugural performance. The drama was well received by the large audiences.

Comfortable seating arrangements and a thorough system of ventilation have been incorporated in the construction of this charming playhouse.

Externally, the theater presents an extremely attractive appearance. The promise held out by the appearance of the exterior is in every way fulfilled by the interior. The lighting arrangements are splendid, all glare having been done away with by the use of the indirect system of lights.

The dominating color effect of the interior is gray-green, with touches of olive and brown as contrasts, giving a very restful effect.

The theater was designed by Architect J. Flood Walker.

Following is a copy of a telegram received yesterday by Manager Schlesinger:

"In behalf of the Paramount Pictures Corporation we wish to congratulate you upon opening one of the finest play houses west of Chicago and can assure you that the pictures that we book to your theater in the future will be the greatest list of productions ever released. You will play identically the same productions that are being shown in the Strand and Broadway theaters, New York, at admission prices ranging from 25 cents to \$1.00."

VALENCIA YIELD TO BE LESS IN THIS COUNTY NEXT YEAR

Interviewed today in regard to general Southern California forecasts of a light orange crop for the coming year, D. Eymann Huff, manager of the Orange County Fruit Exchange, said that the navel crop in this county will undoubtedly be somewhat less than it was during the past season and that this will probably be true of Valencia's but that it is yet too early to make any definite estimates.

"Just how the May and June drop of Valencia's from the trees will affect the crop for the coming year can much better be determined about the middle of August," said Manager Huff.

"The drop in this county, which was caused by rains in April and cold, foggy weather in May, has been quite heavy. However, the lesser crop next season will be beneficial to the industry as a whole, as the crop will be universally less than it was during the present season. On Navels I think that next year the growers will realize a fair return, as the yield all over the state will be lighter than it was during the last season.

"On account of the heavy receipts of deciduous fruits which are beginning to arrive in the East the Exchange shipments from this county will be materially lessened after this week. There will be light shipments from this district until after September 1.

"The Orange County Fruit Exchange will have about 500 cars of Valencia's for shipment after September 1.

"In regard to lemons, the weather has been more favorable during the past week in the East than at any time during the year and this is certain to have a good effect on the market."

As concerns the expected light crop next season growers regard the situation with favor, for they figure that in view of the financial conditions in the East and the demonstration of the market prices during the early part of this season, a short crop will be a good thing, especially since it is universal.

In other words the growers figure that they will save a large expense because they will have less fruit to handle and they will get higher returns because of the shortage of fruit for the markets.

The June drop does not apply only to this county but in Riverside, Los Angeles and other citrus regions as well, where it is reported the drop is heavy.

PLANNING TO IMPROVE HIS RANCH PROPERTY

Orange Post: Howard O. Williams, a former resident of this city, is preparing to do considerable building on his ranch, located about one and one-half miles on the west side of North Glassell street. Plans have been completed for a bungalow, tank house and garage. Contractors are now figuring on the work which will begin at an early day. Mr. Williams, who has been in business at Long Beach the past two years, but now temporarily stopping at Tustin, will remove to the ranch as soon as the buildings have been finished and make his home there.

REMODELING THEATER BUILDING AT ORANGE

Orange News: Remodeling of the old Star Theater building on North Glassell street was commenced a few days ago. U. D. Rhodes, the present owner of the building, has a number of men at work tearing out the front parlor and bringing the raised floor down to a level with the sidewalk. The front is to be enclosed with plate and prism glass, and double-acting sash doors. The interior will be decorated in appropriate tints and when completed the building will present an attractive appearance and give the north side another good store room.

EXPECT HARVEST OF 10,000 SACKS OF BEANS FROM 1000 ACRES

Anaheim Gazette: John Cook in partnership with his brother has 1000 acres in lima and blackeye beans on the San Joaquin ranch and expects to harvest 10,000 sacks. Harvesting will begin about the middle of August. The beans never promised better results than this year and the yield will be heavy.

It is said the Talbert lands on the southern mesa are classed as the best bean lands in the state, and in many instances the Orange county land yields better than the Ventura section. Messrs. Cook Bros. are dry farming enthusiasts and it is through their expert knowledge of the proper tilling of the soil that their good stand of beans is due. There has been no rainfall for many weeks, but at the present time, by digging down 4 or 5 inches, plenty of moisture is found. After the soil has been thoroughly prepared for the crop and the same has been seeded, a "blanket" of soft soil is skillfully placed over the surface by cultivation, thereby holding the moisture.

Blackeye beans are rated as one of the best cover crops, equaling burr clover. After the bean vines have been cut off at the top of the ground, the roots remain underneath, thereby replenishing the humus. The more crops of beans harvested the richer becomes the soil as each recurring bean crop offers its new supply of roots which transmit the oxygen into the soil.

VALENCIA MARKET IN FALL PROMISES TO BE FIRST CLASS

Orange Post: There is genuine activity in the big packing house of the Santiago Orange Growers' Association with a full force rushing with all speed consistent with good results with the work of packing and caring Valencia oranges, there being a good supply furnished by members of the large mutual concern.

"We are endeavoring to take all possible advantage of the improved demand for oranges and the consequent upward prices," said Manager Atwood yesterday, "to ship all we can while this encouraging condition exists. We expect to send out five carloads each day this week.

"As far as the California Fruit Exchange is concerned, there were but 568 cars of oranges in the eastern market and in transit thereto on Saturday night, which is less than will be consumed in a week, as there are now being consumed better than 100 cars a day."

Manager Atwood explained that another good reason at this time for rushing the choice fruit to market is because it will be more profitable to the grower to get it placed on the market in the East before the heavy supply of peaches, grapes, melons, cantaloupes and other seasonal delicacies are marketed, since these have a tendency in their particular season to lessen the demand for oranges.

The Santiago association manager stated that he looks for an excellent October and November market for Valencia's, after the supply of general summer fruits is exhausted.

ANAHEIM VALENCIAS SPLENDID IN QUALITY

Anaheim Gazette: J. Viosca, who has charge of a large number of orange pickers, states that the fruit raised in and around Anaheim is better than ever, and far superior to fruit raised in many other sections of Southern California. His crew is picking the Valencia oranges now bringing the fancy prices in the eastern markets. On Thursday, a week ago, Anaheim Supremes brought \$4.75 per box, the highest price paid in the United States for oranges on that day. That is very encouraging to the growers. Mother Colony brand also brought high prices, netting growers about \$2.50 per box. Senior Viosca says Anaheim oranges are winners.

USE MOTOR TRUCKS TO MARKET STRAWBERRIES

Stanton Optimist: Strawberry picking is going on at a rapid rate on the Remland place. The boys and girls of Stanton are finding pleasure and profit in helping gather the crop. The berries are of fine quality and are bearing heavily. They are marketed in Los Angeles, going to the city by motor truck twice daily.

YEAR'S TIME BRINGS PROSPERITY TO THIS GROWING ORANGE CITY

Orange Post: July first marked the close of the city's fiscal year and it has been one which the present board of trustees has no occasion to be ashamed of. Making office at a time when the treasury was at low ebb, and many of the leading streets in sad need of repairs, the problems confronting them were many and quite serious, and yet the records at the city hall clearly show that in spite of those obstacles, the administration has accomplished a vast amount of public improvement and conducted the city's affairs in a manner to call forth general approval of all citizens. A brief summary of the year's record of accomplishment may be of public interest.

Improved Facilities

The fire department and water department have been brought up to a high degree of efficiency. New equipment has been added to the former,

while extension of water mains has been made as demanded by the city's needs. The city water works has been conducted at a much less expense than formerly, owing to the contract with the gas company whereby gas has been substituted as fuel at a very low rate.

For Better Streets

Under Street Superintendent Buchanan, a remarkable improvement has been made in the streets and crossings. At every street crossing where concrete walks have been built, new concrete approaches have been built and this work was done in person by Superintendent Buchanan and at the minimum cost to the city.

Seven and one-quarter miles of the city streets have been oiled and graveled since March 1 to date, and seven additional miles will be completed before October 1. A favorable contract with the oil company has enabled the city to do this work at much less cost than formerly. In addition to the above street improvement, temporary repairs have been made to streets in all parts of the city and the railway crossings have been concreted. In addition to the above, proceedings are well under way under the street opening act for opening and extending several streets. Work is also under way for construction of concrete walks and curbs on Palmyra from Shafter to Harwood avenues.

The Plaza has also had attention and, while the work of improvement there remains incomplete, it is expected that by winter this valuable asset of the city will appear at its best and be one of the most attractive spots in the city.

General Prosperity

In all the departments of the city much important work has been accomplished and it must be conceded that at no time in the history of Orange has it had more capable officials in charge of its interests. While other nearby cities have been troubled with vexatious litigation, Orange has

pursued the even tenor of its way, enjoying prosperity and material growth. It is true the city has a lawsuit, but the city is defendant, and it is defending on principle and to protect the city treasury against an unjust demand, and the city expects to win.

To Build Bridge

The East Chapman bridge was greatly delayed by reason of an attack on the regularity of the bond proceedings. The attack was unsuccessful and the bonds were sold to a state commission and the money is now available.

The contract for construction has been awarded the Holland Construction Company for the sum of \$7994, not including excavation. This company has built many extensive bridges, including a concrete bridge at San Diego 358 feet in length.

When completed the East Chapman bridge will be a credit to the city and county and prove a boon to Orange. The street at East Chapman will be improved while the bridge is being built.

City Attorney Active

The matter of securing action on the part of the Pacific Electric Company to provide a station and direct connection with Los Angeles is being taken up energetically with the electric company and it is believed that in the near future the demands of the city will be complied with.

In all these matters the board of trustees recognizes that valuable aid has been rendered by City Attorney Garrett, who has devoted a large part of his time to the city's interests. A number of important ordinances were drafted by him, viz.: The ordinances regulating jitney buses and removing them from the Plaza square, providing a system of garbage collection and disposal under municipal control, prescribing fire limits and regulating building construction in such, and regulating bill posting. These have successfully solved vital problems and have been in most instances commended by the attorney for the League of Municipalities.

Work for Nothing

When it is considered that the salaries paid to the city officials are much lower than those paid in the neighboring cities, their work calls for appreciation.

The present board has held fifty-five sessions, regular and adjourned, exclusive of numerous executive sessions, and since the trustees receive no salary or compensation, their service to the city involves no small sacrifice.

The board of trustees has been giving earnest consideration to certain plans and measures that, if carried out, will be of great credit to Orange. In the near future these will be outlined to the public.

UP-TO-DATE GARAGE NOW AT EL MODENA

Orange News: H. H. Wheeler will open a garage Monday in El Modena in the new building he has just completed on East Chapman avenue. This will be El Modena's first garage.

Mr. Wheeler has installed a complete line of automobile accessories and has a well equipped machine shop to handle repairs. He is a machinist of long experience himself. Certain phases of vulcanizing will also be done at the garage. The customary air compressor to provide free air and a gasoline station will also be conducted in connection with the garage.

SPRAYING FOR CITRUS THRIPS

A Cheap and Effective Means of Controlling This Pest's Ravages.

WASHINGTON, July 16.—That it is financially profitable to spray citrus trees in order to rid the fruit of the citrus thrips is the conclusion reached by the U. S. Department of Agriculture after an investigation into conditions in the San Joaquin valley and in the orange groves of southern California and Arizona. The citrus thrips is a minute orange-yellow insect which sucks juice from the leaves, the rind and the stems of citrus fruits much as the mosquito draws blood from human beings.

At the present time many California packing houses divide their oranges into three grades, although in some cases no distinction is made between the first two. As far as injury from thrips is concerned, the fruit is first grade, 43 per cent second, and 23 per cent third. First grade fruit averages 37 cents more a box than second and second 28 cents more than third. Where only two grades are shipped there is an average difference of 51 cents a box between the two. With these differences in prices, spraying will raise the grade of a sufficient number of boxes to return a handsome profit on the investment.

In order to demonstrate this, the bulletin already mentioned takes an acre of 18-year old orange trees as a basis for calculation. The total cost, including labor of three applications of lime-sulphur is found to be \$14.09. With a yield per acre of 324 boxes of fruit, spraying should raise 68 boxes, or 18 per cent, from the second to the first grade—only two grades being now considered. The difference in price between the two grades being 51 cents, this means increased receipts of \$29.58, or a net profit per acre from spraying of \$15.49.

The application at high pressure of contact insecticides, preferably containing sulphur in solution, is declared to be the only cheap and effective way of controlling the thrips. Commercial lime-sulphur, sulphur-soda solution, and blackleaf tobacco extract are among the insecticides

which have been found effective. Of these, commercial lime-sulphur is perhaps the cheapest and most convenient, for good grades may be purchased at a reasonable price and only require dilution with water to be ready for use. One gallon of a preparation testing 36 degrees Baume should be diluted with 56 gallons of water.

Sulphur-soda solution is equally effective, but it must be made at home at a cost equal to that of lime-sulphur on the market. The formula for its manufacture is as follows:

Powdered sulphur, 30 pounds. Powdered caustic soda (98 per cent), 15 pounds. Water to make 30 gallons.

The sulphur is made into a paste with water, and while the mixture is being constantly stirred, the soda added in sufficient quantity to start boiling. As the boiling becomes violent, water should be added to retard it. When all the sulphur has been taken into solution, the remainder of the water is added. The final product should be a clear, amber-colored liquid, every two gallons of which should be diluted with 25 gallons of water for spraying.

Very good results are also obtained with plain tobacco extracts of sufficient strength. The extract should be 40 per cent nicotine and used preferably at the rate of one part to 800 parts of water. The commercial tobacco extract is convenient to handle and, at the rate of 1 to 800, costs approximately a cent and a half for each gallon of the diluted spray.

Three sprayings are regarded as necessary during the period between the falling of the petals and the time when the fruit is half grown. The first application should be given when four-fifths or more of the petals have fallen, the second from 10 to 14 days later, and the third application from two to four weeks afterwards. A fourth spraying is desirable in late August or September when the thrips are likely to congregate upon new shoots.

The spraying outfit should be set up, ready to be put in operation, not later than April 1 and the necessary materials should be ordered in January or February in order to insure their being on hand when wanted. Detailed instructions for spraying orchards, nurseries and seed beds are contained in Farmers' Bulletin 674, which may be secured, upon request, from the U. S. Department of Agriculture, Washington, D. C.

Los Angeles Produce Market
Tiptop cantaloupes were in the market yesterday, and sold for \$1.75 in the pony crate and \$1.80 in the standard pack. Crabapples were cheaper, and were sold by the leading dealers at \$1.00 a lug. Some new arrivals that came into the city yesterday were seedless grapes that were offered to the buying public at \$1.50 a crate. George the Fourth peaches that brought \$1.15 a lug, and Climax plums that were sold for \$1.00 a lug box. Green lima beans and bell peppers were still lower in price, and Bermuda onions can now be secured in sacks at \$1.10 a hundredweight. Other miscellaneous amendments noticed in the various lists consisted of the raising of rolled barley 5 cents a hundred, the changing of the price of hens to 11 and 17 cents, and the lowering of string onions to 12 cents a pound.

SEWER FARM AT FULLERTON IS ONE OF MOST UP-TO-DATE

Fullerton Tribune: That the up-to-date sewer system and sewer farm completed about two years ago is attracting quite a bit of attention to Fullerton is again demonstrated by the visit of several of the city officials of Watts Friday.

Watts has decided that its present system is in need of improvement, and in looking around and inquiring, the officials have discovered that the most up-to-date system in the state is the one here.

The visit paid is the result. City Engineer Renshaw conducted the party on a tour of the farm and explained the system and its advantages over anything of similar nature in the country.

Fullerton was the third city in the United States to adopt and install the now famous Imhoff system. Germany has the system in use almost universally throughout her territory, and it was a German scientist and sanitation expert that devised it and in whose honor it has been named.

The cost of the system here is approximately \$30,000, inclusive of everything. Three members of the present board of city trustees—Mayor Gregory and Trustees Hiltcher and Richman—were upon the board and were active in securing the system at the time it was decided to adopt and install.

stall a new system about four years ago. That their judgment was excellent is shown by the fact that the system is being adopted throughout the United States by several of the larger cities and is now being recommended almost universally as being the most perfect yet devised.

FINDS LOST WIFE WHO HAD TRIED TO DIE

NEW YORK, July 16.—Francesca Samarico, young wife of a sculptor, just arrived in this country, stood before Magistrate Cornell, about to be sentenced for attempting suicide. She had tried to throw herself and her little son under a Third avenue car.

"It was because I have lost my husband," she wept.

Suddenly a man pushed his way into the court room, crying, "My wife!"

They were reunited after more than a week's separation. Both were on Ellis Island May 29 and by some mistake were taken ashore in separate boats. They wandered the streets for days.

GIVES BABY TO WOMAN LEAPS OFF STREET CAR

NEW YORK, July 16.—Mrs. Edith Archer of Linden place, Red Bank, was on a First avenue surface car here when a well-dressed woman, with a baby, sat down beside her and whispered:

"Will you hold baby while I fix my skirt?"

Mrs. Archer "held" and the strange woman went to the back of the car, jumped off, hailed a taxicab and escaped. The baby is now with the police.

JURORS DON'T BELIEVE POLICE, SAYS PERKINS

NEW YORK, July 16.—District Attorney Perkins, in an address to police captains and inspectors, told them some jurors will not believe the testimony of a policeman and seem to be prejudiced against it.

"It is important that a police witness shall not appear over-zealous," the district attorney added.

CANCER KILLS CONVICT AIDED BY VANDERLIP

NEW YORK, July 16.—Frank A. Vanderlip's effort to save the life of James Baillard, a Sing Sing inmate afflicted with cancer, failed. Baillard died.

Mr. Vanderlip paid to bring \$35,000 worth of radium to the prison and Dr. Squire treated the convict. The radium was tried too late.

CO-OPERATIVE SUGAR HAULING BEETS TO DUMPS

Sugar Making Campaign Will Start On July 20, Is Present Plan

Today beets from some of the fields contracted for by the Santa Ana Co-operative Sugar Company were being hauled to the dumps. Hauling operations began at Artesia, at Sugar, at Como and the factory wagon was also hauling beets to the plant.

The Co-operative factory expects to begin its sugar making campaign July 20. Reports from this factory today were to the effect that the appearance of the beets in the field is apparently better than the average of recent years.

Beets will be hauled to the Southern California Sugar Company's dump either Monday or Tuesday and the sugar manufacturing will begin the latter part of next week.

That the beets are much healthier in appearance than they have been for several years was the report at the Southern California plant today. This factory will make into sugar the product from approximately 6000 acres this season.

'BARTER MARRIAGES' DENOUNCED BY COURT

NEW YORK, July 16.—Denouncing "barter marriages," Justice Benedict, of Brooklyn, requested Samuel L. Peckerman, of No. 563 Sackman street, to pay \$8 a week alimony to his wife.

Peckerman sought to escape paying alimony because his wife's father had not kept the ante-nuptial agreement and had been sued for the amount stipulated.

NOTICE OF SALE UNDER DEED OF TRUST

Notice is hereby given that under and in accordance with the powers, terms and provisions of a certain Deed of Trust made and executed on the 4th day of June, 1914, by Consolidated Securities Company, a corporation, the party of the first part, as Trustor, to W. A. Zimmerman and C. E. Lamme, the parties of the second part, as Trustees with the right of survivorship, and Orange County Savings & Trust Company, a corporation, of Santa Ana, California, the party of the third part, as beneficiary, to secure the payment of two certain promissory notes made and executed upon the said 4th day of June, 1914, said two promissory notes being made and executed by the said Consolidated Securities Company, a corporation, to Orange County Savings & Trust Company for the payment of the aggregate sum of \$10,000, one of said promissory notes being for the sum of \$7,000 and one thereof being for the sum of \$3,000 and each of said notes being payable two years after their date, together with interest thereon at the rate of seven (7) per cent per annum, the said interest being by the terms of said notes payable semi-annually from date, to-wit: the 4th day of June, 1914, until paid, and should default be made in the payment of any installment of interest when due, then the whole sum of principal and interest shall become immediately due and payable at the option of the holder of said notes.

The said Deed of Trust provides that if default be made in the payment of any sum or installments of principal or interest when due, according to the terms of said promissory notes, then the owner and holder of said promissory notes may at its option declare the whole sum of the principal and interest of said promissory notes immediately due and payable, and which Deed of Trust was thereafter, on the 11th day of June, 1914, recorded in the office of the County Recorder of Los Angeles County, California, in Book 5832, at page 166 of Deeds, Records of Los Angeles County, California, and the record thereof is hereby specifically referred to for further particulars.

And now, on account of default having been made in the payment of installments of interest, and the interest falling due on the 4th day of June, 1915, on each of said promissory notes not having been paid, and the holder of said promissory notes having exercised its option and declared the whole of the principal and interest of each of said promissory notes to be immediately due and payable, and on demand of Orange County Savings & Trust Company, party of the third part, and beneficiary in said Deed of Trust, that W. A. Zimmerman, one of the parties of the second part and surviving trustee in said Deed of Trust, shall sell the real property described in said Deed of Trust, or such parts thereof as shall be deemed necessary to sell in order to make payment of the principal and interest of said two promissory notes due and unpaid as aforesaid, and to accomplish the objects in said Deed of Trust set forth, the undersigned, W. A. Zimmerman, one of the parties of the second part and the surviving trustee named in said Deed of Trust, will sell, at public auction to the highest bidder for cash in United States gold coin, on Monday, the 22nd day of November, 1915, at three o'clock in the afternoon of that day, at the south entrance of the Court House in the city of Santa Ana, Orange County, California, the real property described in said Deed of Trust and hereinafter in this Notice described, or so much thereof as may be deemed necessary to sell, in order to pay the aforesaid unpaid principal and interest of said promissory notes, and other amounts due and payable under the provisions of said Deed of Trust, including the sum of two hundred dollars as compensation to Trustee, and the expenses of said sale, in accordance with the terms and provisions of the said Deed of Trust.

The said real property being located and situate in the County of Los Angeles, State of California, and more particularly described as follows:

Lots Two (2), Three (3), Four (4), Five (5), Six (6), Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11), Twelve (12), Fourteen (14), and Fifteen (15), in Tract Number 1576, as per map of said tract now on record in Book twenty (20) at page forty-four (44) of Maps, in the office of the County Recorder of Los Angeles County.

This notice is given by me, and the sale therein mentioned will be conducted by me, as surviving trustee in said Deed of Trust mentioned for the reason that C. E. Lamme, the other of the trustees therein mentioned, has since the 4th day of June, 1914, the date of said Deed of Trust, become deceased.

In Witness Whereof, the said W. A. Zimmerman, the surviving trustee, has hereunto set his hand the 8th day of July, 1915.

W. A. ZIMMERMAN, Surviving Trustee.

Ladies' Home Journal

SAYS ABOUT THIS GREAT WORK:

THE LADIES' HOME JOURNAL The Curtis Publishing Co. Philadelphia Edited by Edward W. Bok

"Why I like this illustrated edition of the Bible is because everything about it has been well done and seems to have been done in the right spirit. The Book itself has been approached by the annotator with reserve and intelligence, and by its artists with sympathy and knowledge. It has not been made into a meaningless picture book. The pictures here serve a distinct purpose. They enrich the text, but they do more; they intelligently explain it, and many a hitherto obscure passage will assume to thousands a new meaning through these eye-teaching pictures. Popularizing the Bible is a risky experiment in the hands of many, but it has been made a splendid achievement in this case."

Also An Edition For Catholics

Through an exclusive arrangement, we have been most fortunate in securing the Catholic Bible, Douay Version, endorsed by Cardinal Gibbons and Archbishop (now Cardinal) Farley, as well as by the various Archbishops of the country. The illustrations consist of the full-page plates and maps approved by the Church, without the Tisnot and text pictures. It will be distributed in the same bindings as the Protestant books and at the same Amount Expense Items, with the necessary Free Certificates.

Every one of the 600 pictures is a gem of art and the original conception of a master mind—a wordless discourse of wonderful force. These illustrations are introduced directly into the text, and each has been specially made to illuminate—i. e., "throw light upon"—the particular verse selected for illustration. Such marvelously faithful portrayal of Bible lands and scenes will prove a glorious revelation to all readers. Modern research has thrown a flood of light upon the people and places of Bible days, and this ripe knowledge shows forth on every page, so truthfully embellished as to give the text a new and personal meaning.

A Word With the Man Who Is Seeking a Ranch

There are three essential considerations that should enter into the location of the ranch you choose. First, it should appeal to you from a standpoint of happiness, where your family is going to be both comfortable and contented; in the second place it should appeal to you from a standpoint of health, and in the third place and more important of all it should appeal to you from a standpoint of dollars and cents in profit.

Do you know any place in California where you can buy land within four miles of a rapidly growing city of 50,000 people that has doubled its population three times within the last fifteen years? Consider the size of this, your home town, think what is the cheapest good land with water you can buy within four miles of here and you will find that it runs in the neighborhood of at least \$500 per acre. Now, if you could buy as good or better land that would raise as much or more to the acre with abundance of water delivered to your land for a total cost of one dollar per acre per year regardless of the amount of water you used, and you could buy that land at \$200 per acre and be reasonably assured of its netting you twenty-five per cent a year, you would be interested, would you not? I have exactly the above to offer, in addition it is within four miles of one of the fastest growing cities of 50,000 people in California, with a street car operating every hour to take you into the heart of this city in twenty minutes time and a fifteen-cent fare. Offering the best of stores, churches, schools, theaters, markets and all city comforts, in one of the most healthy sections of this state. You can practically buy this land upon your own terms. I have some exceptional inducements to offer the first 100 settlers, if you are in the market for good land, it will pay you to see me quick.
